FOLEY'S HONEY AND TAR
Cures Colds; Prevents Pneumonia

Exciting Runaway

A horse and wagon belonging to the Italian-American Hotel, El Verano, was hitched in front of Adler's Planing Mill on Spain St. Monday afternoon, when something happened to cause the horse to break loose and run away. The frightened animal chose to come down town at his best rate of speed and ran into the back of Dr. Barmore's rig standing in front of Bates' store. The runaway horse stopped short of course while Dr. Barmore's horse, Jerry, crossed the street at a much faster rate than customary.

Both rigs were badly damaged while the horses escaped any serious injury. The accident occasioned quite a ripple of excitement on the street. Both rigs being unoccupied at the time, no person was injured.

If a cough once gets into your system it acts on every muscle and fibre of the body and makes you ache all over. It especially affects the intestines and makes you constipated, so in order to get rid of a cold thoroughly and without delay you should not take anything that will tend to constipate. Kennedy's Laxative Cough Syrup acts upon the bowels and thereby drives the cold out of the system. It contains no opiates-it is pleasant to take and is highly recommended for children. Sold by L. S. Simmons.

Orders From Abroad

J. Fochetti and Son have received another order from San Francisco to build a large express wagon for a prominent firm there. This is the sixth order of the kind from the metropolis this up to date firm has secured unsolicited. Their superior workmanship and fair prices meriting and receiving much outside as well as local work.

TO AVOID PNEUMONIA

You can avoid pneumonia and other serious results from a cold by taking Foley's Honey and Tar. It stops the cough, heals the lungs, and expels the cold from the system. Refuse any but the genuine in the yellow package. L. S. Simmons.

I wonder what will be the Trusts' slogan during the presidential campaign. Probably the "Empty Oil Can."

This is Worth Remembering Whenever you have a cough or cold, just remember that Foley's Honey and Tar will cure it. Do not risk your health by taking any but the genuine. It is in a yellow package. L. S. Simmons.

Officer Ryan Wings Two

Dep. Sheriff Jos. F. Ryan received a hurried telephone message last Sunday night about 8:30 o'clock stating that two men had attempted to hold up Al Miller of E. Verano on the road between the Swiss-American Hotel and the El Verano Villa. Deputy Ryan immediately started in pursuit of the two men supposed to have committed the crime and overtook them at the trestle above Verano station on the Northwestern Pacific R'y.

Mr. Miller was escorting a friend to El Verano Villa earlier in the evening when accosted by the two men who asked for a match. When returning to his home the same fellows met him about midway and ordered him to halt and throw up his hands. He did not obey, but instead

"Grip" clip back to El Verano and gave the alarm. Mr. Miller and Mr. Matthews of the Villa, armed themselves and started out to hunt the alleged thugs but did not run across them. Later when brought to jail, Mr. Miller positively identified the two men as the parties who had ordered him to throw up his hands. The captives gave their names as Frank Martin and Fred Williams who seem to be traveling together. It is believed that the names given are assumed.

Dist. Attorney Clarence F. Lea came down on Monday afternoon's train and a preliminary hearing was had before Justice of the Peace Small. Williams and Martin both strenuously denied their guilt.

When captured neither was armed and both claimed that they had no weapons of any kind upon them. Mr. Miller was quite sure that when Martin or Williams "stuck out his fist" he saw something in it that looked like a revolver.

There were no eye witnesses to the occurrence, the alleged robbers seemed to have been unarmed and as there appeared to be an insufficiency of evidence to convict, Martin and Williams were discharged from custody.

Of Vital Importance

No other organs of the body are so essential to good health as the kidneys. Foley's Kidney Remedy makes the kidneys healthy so that they will strain out the impurities from the blood which is constantly passing through them. Commence taking Foley's Kidney Remedy at the first sign of danger.

W. S. Beckner, a pioneer of 1850, who crossed the plains in the time of the gold excitement and went to work at mining upon his arrival, died at his home in Windsor on Thursday morning at 11 o'clock after a long and trying illness. He was for years city marshal of Santa Rosa.

Every body loves our baby, rosy, sweet and warm. With kissy places on her neck and dimples on her arms. Once she was so thin and cross used to cry with pain—Mother gave her CASCASWEET, now she's well again. Sold by L. S. Simmons.

Goes to Chico

Mr. Waugh, who has been the efficient foreman of the Spreckels Ranch here for many years, has resigned his position to become Superintendent of the large Parrot ranch near Chico. Mr. and Mrs. Waugh have made many friends in the valley during their residence here who will be sorry to lose them but will wish them all success and happiness in their new home.

TWO UNWELCOME VISITORS

At this season La Grippe and pneumonia cause more deaths than consumption. Foley's Honey and Tar cures the grippes, coughs that may result in pneumonia over night. Do not take chances with a cold when Foley's Honey and Tar will quickly cure it. L. S. Simmons.

Upholstering Done

W. S. Spencer will take orders for upholstering and furniture repairing at his Broadway store. His prices are very reasonable and he guarantees satisfactory work. Read his new ad in this issue.

How to Avoid Appendicitis

Most victims of appendicitis are those who are habitually constipated. Foley's Orino Laxative cures chronic constipation by stimulating the liver and bowels. Foley's Orino Laxative does not nauseate or gripe and is mild and pleasant to take. Refuse substitutes. L. S. Simmons.

Our Standard remedy is growing in popularity every day. J. W. McNeil, agent for Sonoma Co.

Natives Install

Sonoma Parlor, No. 111, N. S. G. W., installed its officers for the ensuing term in I. O. O. F. Hall last Monday evening. District Dep. Grand President, W. O. Hoeker, installed the new officials as follows: Fast Pres., R. A. Pauli; pres., R. R. Emparan; 1st vice pres., A. Marey; 2nd vice pres., C. E. Johnson; 3rd vice pres., T. A. Kiser; marshal, F. Marzo; treas., G. S. Harris; sec'y, L. S. Green; trustee, O. W. Gerltke; ins. sentinel, R. Holz; out. sentinel, Jas. Modini.

It is very important and in fact it is absolutely necessary to health that we give relief to the stomach promptly at the first signs of trouble—which are belching of gas, nausea, sour stomach, headache, irritability and nervousness. These are warnings that the stomach has been mistreated; it is doing too much work and it is demanding help from you. Take something once in a while; especially after meals; something like KODOL For Dyspepsia and Indigestion. It will enable your stomach to do its work properly. Sold by L. S. Simmons.

Young Boy Dies

Samuel Bianchini, the nine-year old son of Mr. and Mrs. M. Bianchini died at the home of his parents on 1st street east last Sunday. The funeral was held from home Tuesday afternoon at 1 o'clock. Interment was in Catholic Cemetery. The sympathy of the community goes out to the bereaved parents in their sad loss.

FEW HERE KNOW THIS

When an eminent authority announced in the Scranton (Pa.) Times that he had found a new way to treat that dread American disease, Rheumatism, with just common, every-day drugs found in any drug store, the physicians were slow indeed to attach much importance to his claims. This was only a few months ago. Today nearly every newspaper in the country, even the metropolitan dailies, is announcing it and the splendid results achieved. It is so simple that any one can prepare it at home at small cost. It is made up as follows: Get from any good prescription pharmacy Fluid Extract Dandelion, one-half ounce; Compound Kargon, one ounce; Compound Syrup Sarsaparilla, three ounces. Mix by shaking in a bottle and take in teaspoonful doses after each meal and at bedtime. These are all simple ingredients, making an absolutely harmless home remedy at little cost.

Rheumatism, as every one knows is a symptom of dranged kidneys. It is a condition produced by the failure of the kidneys to properly filter or strain from the blood the uric acid and other matter which, if not eradicated, either in the urine or through the skin pores, remains in the blood, decomposes and forms about the joints and muscles, causing the untold suffering and deformity of rheumatism.

This prescription is said to be a splendid healing, cleansing and invigorating tonic to the kidneys, and gives almost immediate relief in all forms of bladder and urinary troubles and backache. He also warns people in a leading New York paper against the discriminate use of many patent medicines.

Chapman Bros. have just received a consignment of absolutely pure strained honey which they are putting up in pint and quart jars. Try some, its fine.

A Prosperous Year

Commencing with this issue, the Sonoma Valley Expositor enters upon the tenth year of its publication. During the past nine years, it has gradually grown in subscription and advertising patronage until it now enjoys the distinction of having double the circulation of any other paper in this section of the county.

As a natural consequence of the large circulation, merchants and others who desire to let the people know what they have for sale or what their wants are, use the columns of the Expositor, many of them exclusively, as the Sonoma Valley Expositor reaches all the people and is the only first class advertising medium in the valley.

To meet the demands of our growing business we have added during the year over \$150 worth of the latest styles of fine type, an electric motor, a numbering machine and many other tools and appliances which facilitate the work and enable this office to turn out the best job printing in this section of the county. This also explains why the Expositor office does 95 per cent of all the job work of this city and valley. Quality and price are also pleasing features of Expositor printing.

We heartily thank our friends and patrons for their liberal support and will strive to merit a continuance of the same by giving high class work at the lowest living figures.

The report of the State Bank Commission shows the country banks to be in excellent condition, their average cash reserve being nearly thirty-five per cent of the deposit. As a general thing banks doing business in the country are more conservatively managed than those in the large cities, and it is highly probable that the showing now being made by the interior banks of this state will compare favorably with those operating in any part of the land.

If number thirteen cuts any figure, Abe Ruef is surely down on his luck. He was sent to the county jail Wednesday, and locked in cell No. 13. Just think! thirteen times thirteen!

Good News for Farmers

We are in receipt of a letter from Congressman D. E. McKinley from Washington, D. C., in which he states that the government printing office has just issued a long list of Farmers' Bulletins intended for free distribution. The Bulletins contain accurate and valuable information on every phase of agricultural life and can be had by writing to Mr. McKinley or the Department of Agriculture, Washington D. C. A catalogue of the publications can be seen at this office. Among the various books issued that might be of interest to the farmers of this valley are: The Feeding of Farm Animals, Grape Diseases on the Pacific Coast, Standard varieties of Chickens, The Dairy Herd, Eggs and Their Use as Food, The Home Vineyard, etc. Mr. McKinley also says that he will send to this office for free distribution a few packages of choice seeds.

Parties desiring seeds can obtain them by calling at this office or writing to D. E. McKinley, Washington D. C.

Blockmaker Suicides

Word was brought to Constable Ryan here Wednesday morning that Rochino Casisa, an Italian stone mason, who lived in a cabin in the hills about two miles from town, was not at work as usual and it was thought that he was either sick or dead in his cabin as no response came from repeated knocks and calls. The door was locked on the inside. Constable Ryan immediately went to the cabin to investigate. He broke open the door and on entering a gruesome sight met his gaze. On the bed lay Casisa, cold in death, with the rifle lying along his body the tip of his right foot on the trigger. The bullet entered beneath the chin, shattered the jaw and came out through the forehead.

The unfortunate man is said to have been drinking heavily of late and is supposed to have shot himself while temporarily insane. Deceased was a native of Italy, about 43 years of age and has lived in this community for over twenty years. He was an honest, hard working man and was greatly esteemed by many friends.

Judge Small, acting as coroner, held an inquest Wednesday evening at the Bates' Undertaking Parlor, where the body had been brought Wednesday morning. The funeral was held yesterday afternoon from the undertaking parlors, Rev. R. Lionel Rowe officiating. Interment was in Mountain Cemetery.

TWELVE PASS

Twelve out of the eighteen applicants for teachers' certificates at the examination last week passed successfully. The result was announced on Monday as follows:

Miss Helen R. Wright, Miss Nell V. Hall, Miss Ida Meyer, Miss A. Madge Clapp, of Santa Rosa; Miss Martha Matthews, Cloverdale; Miss Sarah A. Grove, Healdsburg; Miss Rose Haslins, Petaluma; Mrs. M. N. Gibbons, Windsor; Miss Mattie Washburn, Windsor; Miss Lucy A. Palmer, Freestone; Miss Emily C. Kurtz, Glen Ellen; Mrs. Elizabeth H. Stewart, Petaluma. The last six named already had primary certificates and have now succeeded in obtaining grammar grade certificates.

It might also be mentioned that nine out of the twelve successful candidates were students at the Santa Rosa Normal school, Professor A. C. McMeans, principal.

Supper and Social

A supper will be provided by the ladies of the M. E. Church on Jan. 17, in Dal Poggetto's hall. The following is the menu: Cold meats, chicken, beans, brown bread, salads, pickles, cake and pie, coffee and tea. A charge of 25 cents will be made. To begin at 5:30 o'clock and last till all are served.

After the supper a social will be given in the hall. Cake, coffee and sandwiches, will be served. Homemade candy for sale. All are cordially invited.

Normal School

Read the new ad of Prof. McMeans in this issue. Prof. McMeans is one of the ablest instructors of the Pacific Coast and has assisted hundreds of successful teachers in preparing for the profession.

Receive Appointments

At their meeting on Wednesday the Board of Supervisors re-appointed Dr. S. S. Bogle county physician; L. J. Kearney, county farmer; Hobart Arnold and Hiram Dryden, court house janitors; Stanley Collier, transcriber, and Leland Brooks, mapper.

Wise Talks by the Office Boy Repeated

Say fellows, more than half the newspapers of the world are printed in the English language and of the whole bunch (about 60,000,) 23,000 are printed in the United States and Canada. Little old New York heads the list with 2,000, which is double the number issued in either Russian, Japan or Spain. Illinois comes next, Pennsylvania next, Ohio next, Missouri next and each of these has from 1,000 to 17,000. Little old Texas heads the list of those under 1,000 with 908 and the little old Alaska is at the foot of the list with 13. I tell you it's like picking ripe fruit to read our advertisements now and act upon the suggestions offered, of course an ad is no good to you unless you take advantage of it. This week everything in stock reduced. Swell \$12 suits and overcoats at \$8.95, one lot of boys suits at \$1.75. Come early and avoid the rush and save money.

To be Tried Here

The cases of Antonio Al. A. Bruno, L. Lucifer and R. L. Lumbier, merchants of Martinez, charged with illegal fishing for bass in the second Napa slough, were called in the Napa Superior Court before Judge Gesford on Saturday. They were dismissed at the request of District Attorney Silva, as an investigation showed that the slough is in Sonoma county. The four defendants were rearrested by Deputy Fish Commissioner W. J. Moore and will be tried in the Superior Court here.

THE SECRET OUT.

A Wide Open Statement.

To refute the many false and malicious attacks, bogus formulas and other untruthful statements published concerning Doctor Pierce's World-famous Family Medicines, the doctor has decided to publish all the ingredients entering into his "Favorite Prescription" for weak women and his equally popular tonic alternative known as Dr. Pierce's Golden Medical Discovery. Hereafter every bottle of these medicines leaving the great Laboratory at Buffalo, N. Y., will bear upon it a full list of all the ingredients entering into the compound. Both are made entirely from native medicinal roots. The ingredients of the "Golden Medical Discovery" being a non-alcoholic extract of Golden Seal root, Queen's root, Black-cherry bark, Mandrake root, Blood-root and Stone root, preserved by chemically pure glycerine. Dr. Pierce's Golden Medical Discovery, being made of native medicinal roots, is next to Nature and is the best tonic you can use. It fills the blood with rich, red blood corpuscles. It gives you a feeling of strength, and it puts sunshine into your system as no other remedy can. That is why Dr. Pierce's Golden Medical Discovery has been such a favorite for the past forty years. No man or woman can be either healthy or handsome who has impurities in the blood, for it will show in pimples, boils and eruptions, in the dark circles under the eyes and in the sallow complexion. After taking "Golden Medical Discovery" you are bound to have pink cheeks and a fresh complexion. The muscles get the good, rich, red blood, that puts on strength. It is a flesh builder, but not a fat builder. As an example of the good results thus obtained, note the following letter:

"In the year 1887 I had an attack of indigestion and got so bad that my home doctor said he could not do me any good," writes Mr. G. Trent of Gordonville, Texas. "I wrote to you and you advised me to use Dr. Pierce's Golden Medical Discovery and I bought six bottles, and when I commenced using it I was so weak I could hardly walk about the house. By the time I had used one bottle my stomach and bowels com-

menced to heal. There were strips of the lining of my bowels as large as a man's two fingers, matted and I had a great deal of mucus in my stomach and bowels and also in the rectum especially. I could not eat anything without having much distress afterward, but by the time I had taken eight bottles of the "Golden Medical Discovery" I was sound and well, and could eat anything I pleased without suffering in the least. Could also do as much work in a day as I ever could. I have not suffered from the trouble since."

INGREDIENTS OF KNOWN COMPOSITION.

If suffering from an obstinate malady which would one naturally prefer to take, a medicine of known composition, every ingredient of which has the endorsement of the most eminent medical practitioners and writers, or one which, for aught you may know, may be made up of very inefficient and even harmful agents? Is it not best to trust upon knowing what one is taking, as in every one's right, whether being prescribed for by the family physician or making use of a proprietary remedy? We think so, especially in view of the disparaging articles concerning various advertised remedies with which the drug and medical journals have been filled for months past. Doctor Pierce courts the severest criticism of the medical profession as to the value of his published formulae, confident that he will receive fair treatment from all fair-minded, well qualified brethren of the medical profession who cannot be blamed for not endorsing medicines of the composition of which they and the people are kept in ignorance.

These are the Original Little Pills, first put up over 40 years ago, by old Dr. R. V. Pierce. They've been much imitated but never equalled. Smallest, easiest to take, and most effective. They are composed of refined and concentrated vegetable extracts. Without disturbance or trouble constipation, indigestion, bilious attacks, sick and bilious headaches, and all derangements of the liver, stomach, and bowels are prevented, relieved, and cured. Permanently cured, too, by their mild and natural action, these little pellets gently lead the system into natural ways again. Their influence lasts.

Horse Left to Die

On Tuesday Dec., 24, a Petaluma horse trader lost a horse in that city, says the Courier. He searched high and low for the animal but failed to find any trace of it. It seems some one found the animal which had a blanket on and thinking it had escaped from a local stable, took it to N. Kamp's stable and placed it in a box stall and closed the door. The proprietors of the stable were not aware that the animal was in the stall and not until last Saturday was the poor animal discovered. It was hardly able to walk when taken out. Poundmaster Frank Towne took it to the owner who will endeavor to save its life. The horse was a good one.

Geary, both ex-congressmen, delivered pleasing and appropriate addresses.

The event was a memorable one in Eagledom in this part of the state.
